

**PREMIER GROUP ANNOUNCES STRATEGIC PARTNERSHIP AGREEMENT
WITH CREATE!FORM INTERNATIONAL TO DELIVER CREATE!FORM'S E-FORMS
SOLUTION TO JD EDWARDS MARKET THROUGHOUT THE AMERICAS**

FOR IMMEDIATE RELEASE

Agreement brings Create!form's e-forms solution to Premier's JD Edwards customers in U.S., the Caribbean and Latin America

CORAL GABLES (June 10, 2002)— Premier Group (Premier) announced today the formation of a strategic reseller partnership agreement with Create!form International, Inc., a leading global provider of software products that streamline and e-enable output formatting and delivery of business documents. Premier is a leading international provider of enterprise business solutions, including enterprise software, enabling technology solutions, and management consulting services in the United States, Latin America and the Caribbean. As a JD Edwards' OneWorld® Certified Channel Partner, Premier will now offer Create!form International's e-forms and transactional output products, including Create!form® for JDEdwards OneWorld®, to its extensive JD Edwards customer base in Latin America and the Caribbean.

Premier Group's President and CEO, Fermin Rodriguez, said, "Create!form products are known for rapid implementation and ease-of-use. Our partnership with Create!form will enable us to offer a highly efficient transactional output solution to our JD Edwards customers from a long-established, financially secure leader in e-forms. The Premier Group will provide complete implementation, training and support services for Create!form products."

Kurt Mueffelmann, President and CEO of Create!form International, said, "Create!form enables companies to create dynamic documents by reformatting their JD Edwards' data to create more functional and efficient corporate documents. Once the documents have been created, Create!form automates distribution via multiple channels such as print, e-mail, fax, the web and archive for virtually any business-critical transactions, forms, reports and checks."

Mueffelmann continued, "We are pleased to have Premier Group further extend Create!form's reach by opening up the Latin American and Caribbean market, where Premier has established a strong customer base."

Both Premier Group and Create!form International will be exhibiting at the upcoming FOCUS 2002, the global JD Edwards software users conference, June 10 -13 in Denver, CO.

About Premier Group

Based in Coral Gables, Florida, Premier Group, is a leading international provider of enterprise business solutions comprised of enterprise software, enabling technology solutions, and management consulting services. As a OneWorld Certified Channel Partner, and one of JD Edwards' fastest growing business partners worldwide, Premier represents JD Edwards enterprise in over a dozen countries in Latin America and the Caribbean. About Create!form International

Founded in 1987, Create!form International develops and markets a full suite of electronic form and document management systems that provide powerful output and delivery capabilities for businesses ranging from small desktop accounting packages to large scale ERP applications. This software enables companies to streamline their document management processes and reduce their reliance on pre-printed paper forms. Create!form's solutions can be implemented quickly, without the need to reengineer existing systems. With headquarters in Waltham, Massachusetts, USA; and regional offices in the United States, Europe and Asia Pacific; the company boasts an extensive partner network that supports customers in a variety of markets including manufacturing, distribution, health, government, finance, insurance, and education. Create!form has over 3,000 customers worldwide including Hallmark Cards, Farmers Insurance, Baxter Healthcare, Dow Chemical and Harley Davidson. For more information, visit at www.createform.com.
